Certificate Date: 25.06.2020

Mr Ronny Wilson
(Laboratory Manager)

Mr Callum Reid
(Laboratory Director)

The test reports that relate to the individual products should be read in conjunction with this certificate (SP2239, SP2275 & SP2305). Testing of all products was carried out in the Surface Performance Ltd laboratory on a concrete sub-base under controlled environmental conditions in accordance with ISO 291 Class 2.
